

## PIG® Roof Leak Diverter Tarp Bucket Kit

TLS121 5' W x 5' L, Leak Diverter Tarp; Hose; Hanging Straps; Container, Install With Hanging Straps

Our portable Leak Diverter Tarp Bucket Kit had everything you need for grab-and-go response to divert and contain ceiling leaks.

- Easily keep rain and snow from storming *inside*. Whether condensation and ice, or heavy rain from a high-wind hurricane, this solution will quickly protect your team and what you've built.
- Works like a funnel to channel liquids to a 6.5 gallon pail; printed "Caution" message doubles as a warning sign
- Pail has a removable plug to allow the drainage hose to be inserted without having to remove the lid
- Heavy-duty vinyl-coated tarp resists punctures, UV and mildew and lasts multiple deployments
- Pinched corners create a funnel to channel liquids to a drain or collection container without overflowing or sagging; engineered with leak-proof seams and connections
- Brass grommets resist tearing and make installation easy; multiple hanging points add stability and preserve funnel shape
- Extra-large drain opening and debris cage prevents clogs from crumbled ceiling tiles, drywall and roofing material
- Flow rate of 3.33 gallons per minute when used with a 1/2" ID hose (included)
- Translucent material allows for easy monitoring of leak
- 60"-long adjustable straps allow fast setup and response (included)

Item#	Description	Dimensions	Weight
TLS121-TR		5' W x 5' L	11 lbs.

### Metric Equivalent:

Item#	Description	Dimensions	Weight
TLS121-TR		152cm W x 152cm L	5 kg

## Specifications

<b>Style</b>	Complete Kit
<b>Dimensions</b>	5' W x 5' L
<b>Application</b>	Roofs
